Up to 20 minutes (Standing Order No. 23)

Helen Hayes

That leave be given to bring in a Bill to give social housing tenants the right to continuity of secure tenancy in circumstances when they have to move because of a threat to the personal safety of the

tenant or someone in their household; to place associated responsibilities on local authorities and social housing providers; and for connected purposes.

Notes:

The Member moving and a Member opposing this Motion may each speak for up to 10 minutes.

2. OPPOSITION DAY (11TH ALLOTTED DAY)

Until 7.00pm (Standing Order No. 9(3))

■ Tackling fraud and preventing Government waste

Keir Starmer

Rachel Reeves

Pat McFadden

Abena Opong-Asare

Thangam Debbonaire

Sir Alan Campbell

That this House agrees with the remarks of Lord Agnew of Oulton in his resignation letter that the Government's record on tackling fraud

is lamentable; recognises the vast amount of taxpayers' money that has been lost to waste and fraud since the start of the coronavirus pandemic, including the estimated £4.3 billion recently written off from Treasury-backed Covid business support schemes; notes the Government's unacceptable record of poor procurement over the last decade, including £13 billion wasted on defence projects; further notes the warnings the Chancellor received in 2020 regarding the serious weaknesses allowing for public funds to be diverted to criminal enterprises; calls on the Government to set out a strategy to recover all taxpayers' money obtained by criminal groups and to fully engage with a thorough National Crime Agency investigation into all issues related to the fraudulent exploitation of the covid-19 support schemes; and further calls on the Chancellor of the Exchequer to make a statement to this House before 31 March 2022 detailing how much taxpayers' money has been successfully retrieved.

■ Windfall tax on oil and gas producers**Keir Starmer****Rachel Reeves****Edward Miliband****Jonathan Reynolds****Thangam Debbonaire****Sir Alan Campbell**

That this House notes the cost-of-living crisis hitting families across the country and that the energy price cap is predicted to rise by 50 per cent from April; recognises that rocketing energy prices are hitting businesses as well as household budgets; calls on the Government to introduce a windfall tax on the profits of North Sea oil and gas producers; and further calls on the Government to use that windfall tax to help fund a package of support for families and businesses facing the energy price crisis.

Amendment (a)**Stephen Flynn****Owen Thompson**

In line 4, leave out from "to" to "a" in line 5 and insert "commit fully to working as a partner with the Scottish Government in

providing a Just Transition Fund to protect those communities at the forefront of the energy transition, helping to create new opportunities for workers currently supported by the oil and gas sector, helping the UK stay on the cutting edge of supporting net-zero technologies for improved energy security; and further calls on the Government to provide”.

Notes:

The selection of the matters to be debated has been made by the Leader of the Opposition (Standing Order No. 14(2)).
