That this House notes that primary care is in crisis, with people across the country struggling to access GP services and dental treatment; believes that everyone should be able to get an appointment to see a doctor when they need to and has the right to receive dental treatment when they need it; is concerned by the Government's failure to remain on track to deliver 6,000 additional GPs by 2024-25; and therefore calls on the Secretary of State for Health and Social Care to urgently bring forward a plan to fix the crisis in primary care, meet the Government's GP target and ensure everyone who needs an NHS dentist can access one.

That this House declines to give the Social Security (Additional Payments) Bill a Second Reading, notwithstanding the need for support to benefit claimants, because the Bill fails to provide sufficient payments in a timely manner, it fails to make a permanent £25 per week uplift to Universal Credit and extend this to all legacy benefits, it fails to permanently uprate all social security benefits as if they had been increased by 10% in April to match the current level of inflation, and it is an inadequate response to the financial challenges being faced by millions of low-income households across the UK in the context of the rising cost of living.

Notes:

The Bill was presented under [Standing Order No. 50](#) (Procedure upon bills whose main object is to create a charge upon the public revenue). It is expected that the Bill will be certified as a Money Bill. For amendments, see [separate Paper](#).

SOCIAL SECURITY (ADDITIONAL PAYMENTS) BILL: MONEY
