Joy Morrissey

That this House, while recognising the need to cut household energy bills for families, accelerate private investment in energy infrastructure, and protect and create jobs in the energy industry across the UK, declines to give a Second Reading to the Great British Energy Bill because Great British Energy will not produce any energy, will not reduce household energy bills by £300, does not compensate for the amount of investment in energy projects that will be deterred by the Government's plans to prematurely shut down the UK's oil and gas sector, and involves an unjustified use of taxpayers' money at a time when the Government is withdrawing the Winter Fuel Payment from 10 million pensioners as energy bills rise.

(5) Proceedings on Third Reading shall (so far as not previously concluded) be brought to a conclusion at the moment of interruption on that day.

(6) Standing Order No. 83B (Programming committees) shall not apply to proceedings on Consideration and Third Reading.

Other proceedings

(7) Any other proceedings on the Bill may be programmed.
