BUSINESS OF THE DAY**1. Opposition Day (3rd Allotted Day)****Until 7.00pm** (Standing Order No. 9(3))**■ Carer's Allowance****Ed Davey****Daisy Cooper****Wendy Chamberlain****Helen Morgan****Alison Bennett****Steve Darling**

That this House recognises the remarkable contributions that the UK's 5.7 million unpaid carers make to society and the huge financial challenges many face; notes with deep concern that tens of thousands of carers are unfairly punished for overpayments of Carer's Allowance due to the £151-a-week earnings limit; believes that carers should not be forced to face the stress, humiliation and fear caused by demands for repayments of Carer's Allowance; condemns the previous Government for failing to address this scandal; calls on the Government to write-off existing overpayments immediately, raise the Carer's Allowance earnings limit and introduce a taper to end the unfair cliff edge; and further calls on the Government to conduct a comprehensive review of support for carers to help people juggle care and work.

Amendment (a)
The Prime Minister
Secretary Liz Kendall
Alison McGovern
Sir Stephen Timms
Lucy Powell
Sir Alan Campbell
Andrew Western

Leave out from “society” in line 2 to end and add: “; believes it is essential that carers are provided with the support they need at the time they need it; condemns the previous Government for failing to address the scandal of demands for repayments of Carer’s Allowance; and welcomes the Government’s review into how these overpayments have occurred, what best can be done to support those who have accrued them and how to reduce the risk of these problems occurring in future.”

■ **Access to primary healthcare**

Ed Davey
Daisy Cooper
Wendy Chamberlain
Helen Morgan
Jess Brown-Fuller
Dr Danny Chambers

That this House regrets that the NHS has been plunged into crisis by years of neglect by the previous

Government, leaving far too many people waiting weeks to see a GP or unable to find an NHS dentist, and children and adults waiting months or even years to receive the mental health care they need; believes that everyone should be able to access high-quality primary care services when they need them and where they need them; condemns the previous Government for presiding over a fall in the number of full-time equivalent fully qualified GPs and NHS dentists in the last Parliament; further regrets that the Government has not yet set out a plan to invest in primary care at the level needed to meet demand; calls on the Government to boost access to GPs, NHS dentists and community pharmacists; and further calls on the Government to give everyone the right to see a GP within seven days or within 24 hours if they urgently need to and to guarantee access to an NHS dentist for everyone needing urgent and emergency care.
