Mr David Davis

Sir Edward Leigh

Dame Margaret Hodge

That this House expresses grave concern regarding the Government's continued inaction with respect to the injustice suffered by Equitable Life policyholders, the vast majority of whom have only received partial compensation compared to the confirmed losses directly attributed to regulatory failures despite the Government's acceptance of the Parliamentary Ombudsman's findings to compensate victims in full in relation to the maladministration of Equitable Life; notes the concern previously expressed by the Public Accounts Committee on the transparency and accuracy of the payments being made to victims; further notes the Government's failure to fulfil the Committee's request to publish an intelligible and transparent explanation to policyholders on how to verify the correctness of the compensation they have received; notes examples of grossly inaccurate

payments, adjusted only when identified by policyholders, gathered by the Equitable Members Action Group (EMAG); notes the Government's continued insistence that there have been no mistakes in the methodology for calculating payments to policyholders; and therefore calls on the Public Accounts Committee and the Public Administration and Constitutional Affairs Committee to establish a joint inquiry into the accuracy of the payments made to victims of the Equitable Life scandal.
