3 Opposition Day: Leader of the Opposition (17th allotted day (Standing Order No. 14))

(1) The Government's management of the economy

Motion made and Question proposed,
That this House believes that the last decade of UK economic policy weakened the foundations of this country's economy and society, leaving the UK particularly vulnerable when the coronavirus crisis hit; further believes that many Government choices and actions during the coronavirus pandemic have exacerbated the problems that pandemic has caused, leading to the UK suffering the worst economic crisis of any major economy; calls on the Government, as the UK emerges out of the pandemic, to address the deep inequalities and injustices in this country and take the UK forward to a stronger, more prosperous future through

a new partnership between an active state and enterprising business; further calls on the Government to protect family finances by reversing the planned £20 cut in Universal Credit, reversing the key worker pay freeze and providing councils with the funding they need to prevent huge rises in council tax; and calls on the Government to introduce a new British Recovery Bond to allow people who have accumulated savings during the pandemic to have a proper stake in Britain's future and to back a new generation of British entrepreneurs by providing start-up loans for 100,000 new businesses.—(*Anneliese Dodds.*)

(2) Supporting businesses and individuals through the coronavirus crisis

Motion made and Question proposed,
That this House calls on the Government to support businesses and individuals still struggling as a result of the coronavirus crisis in the forthcoming budget by extending business rates relief for at least another six months, extending the temporary 5 per cent reduced rate of VAT for three months after restrictions are lifted or for another six months, whichever is later, helping British businesses struggling under the burden of Government-guaranteed debt by ensuring that small businesses can defer paying loans back until they are growing again, extending and reforming the furlough scheme so that it lasts whilst restrictions are in place and demand is significantly reduced, immediately confirming that the fourth Self-Employment Income Support Scheme grant will be set at 80 per cent of pre-coronavirus crisis profits and extending eligibility to that scheme to include anyone with a 2019-20 tax return and fixing the gaps in coronavirus

support schemes to support those who have been excluded from the beginning of the crisis; and further calls on the Chancellor of the Exchequer to make a monthly oral statement to Parliament updating the House on these matters.—(*Bridget Phillipson.*)

The Deputy Speaker announced a time limit on backbench speeches (Standing Order No. 47(1)).
