ANNOUNCEMENTS

VIRTUAL PARTICIPATION IN PROCEEDINGS

On 30 December 2020 the House agreed an order extending virtual participation to debate and certain other proceedings in accordance with a scheme prepared by the Speaker. On 16 June the House extended these provisions until 22 July.

The [scheme for virtual participation in proceedings](#) and the revised [Members' Guide to Chamber proceedings](#) are available on the intranet. The [Members' Guide to Westminster Hall proceedings](#) is available on the intranet.

PARTICIPATION IN WESTMINSTER HALL

On 25 February the House agreed a motion to resume sittings in Westminster Hall on Monday 8 March. The Order, agreed on [16 June](#) extends provision for Members to participate virtually until the House rises for summer recess. These sittings continue to take place in the Boothroyd Room in Portcullis House.

Applying to speak

Applications to speak should be made via email to the Speaker's Office (speakersoffice@parliament.uk). **The deadlines are as follows:** 1.00pm on the previous Friday for debates on a Monday; and 1.00pm on the previous day for debates on a Tuesday, Wednesday and Thursday. Call lists will be published at around 12.30pm on a Monday for debates that day and 6.30pm the previous day for debates on a Tuesday, Wednesday and Thursday.

Participation

Members are able to participate physically or virtually, but should note Mr Speaker's request for Members to participate virtually in proceedings wherever possible. Members who wish to participate physically should note this when they contact the Speaker's Office. For 60-minute and 90-minute debates, and debates scheduled by the Petitions Committee, only Members who are on the call list are permitted to attend. Members will be called in the order they appear on the call list, unless there are technical problems which prevent this. For 30-minute debates, there will not be a call list. Members wishing to contribute should follow existing conventions about contacting the Member in charge of the debate, the Speaker's Office and the Minister.

Arrangements for social distancing

On the horseshoe in the Boothroyd Room, there are a maximum of 16 seats. Of these seats, there are 9 available from which backbenchers can speak (others are reserved for the frontbenchers, the PPS or Whip, the Member in charge, the Chair and the Clerk). There are 11 additional seats in the public gallery and a further 6 seats at the side table for Members in the latter part of the call list from which they can listen to debates and move onto the horseshoe when spaces become available. Members should clean the microphone and the desk around them before and after use. Cleaning materials will be available for

this purpose. Guidance for Members on hybrid arrangements in Westminster Hall can be found on the intranet.

Mr Alistair Carmichael
Tim Farron

Christine Jardine
Jamie Stone

Layla Moran
Munira Wilson

Wera Hobhouse
Sarah Green

That this House, while agreeing that the disqualification regime should be extended to directors of dissolved companies, declines to give a Second Reading to the Rating (Coronavirus) and Directors Disqualification (Dissolved Companies) Bill because it retrospectively overrules more than 500,000 business rates appeals made by 170,000 businesses, fails to consult the affected businesses to deliver adequate support, puts business and jobs at risk by delaying the delivery of additional business rates relief, ignores the impact of the pandemic on companies that have been excluded from business rates relief, fails to recognise the impact of the pandemic on jobs and businesses in the supply chain of retail, hospitality and leisure businesses from office-based companies to manufacturing firms, severely limits the only route available to tens of thousands of businesses in claiming Government support during the pandemic, sets a troubling precedent for future crises by retrospectively limiting businesses' right to challenge their business rates bill, fails to bring forward meaningful reforms of the business rates system, and risks leading to more job losses and company closures during an economic crisis.
