6 Health and Care Bill: Second Reading

Motion made and Question proposed, That the Health and Care Bill be now read a second time.

The Deputy Speaker announced a time limit on backbench speeches (Standing Order No. 47(1)).

Amendment moved, to leave out from "That" to the end of the Question and add "this House declines to give a Second Reading to the Health and Care Bill, notwithstanding the need for a plan for greater integration between health services and social care services and for restrictions on junk food advertising to improve population health outcomes, because the Bill represents a top down reorganisation in a pandemic leading to a loss of local accountability, fails to reform social care, allows further outsourcing permitting the private sector to sit on local boards and fails to reinstate the NHS as the default provider, fails to introduce a plan to bring down waiting lists for routine NHS treatment or tackle the growing backlog of care, fails to put forward plans to increase the size of the NHS workforce and see them better supported, and fails to put forward a plan that would give the NHS the resources it needs to invest in modern equipment, repair the crumbling NHS estate or ensure comprehensive, quality healthcare.".—(*Jonathan Ashworth.*)

Question put, That the Amendment be made.
