6 Backbench Business

(1) Northern Ireland Protocol

Motion made and Question proposed,
That this House supports the primary aims of the Northern Ireland Protocol of the EU Withdrawal Agreement, which are to uphold the Belfast (Good Friday) Agreement in all its dimensions and to respect the integrity of the EU and UK internal markets; recognises that new infrastructure and controls at the border between Northern Ireland and the Irish Republic must be avoided to maintain the peace in Northern Ireland and to encourage stability and trade; notes that the volume of trade between Great Britain and Northern Ireland far exceeds the trade between Northern Ireland and the Republic of Ireland; further notes that significant provisions of the Protocol remain subject to grace periods and have not yet been applied to trade from Great Britain to Northern Ireland and that there is no evidence that this has presented any significant risk to the EU internal market; regards flexibility in the application of the Protocol as being in the mutual interests of the EU and UK, given the unique

constitutional and political circumstances of Northern Ireland; regrets EU threats of legal action; notes the EU and UK have made a mutual commitment to adopt measures with a view to avoiding controls at the ports and airports of Northern Ireland to the extent possible; is conscious of the need to avoid separating the Unionist community from the rest of the UK, consistent with the Belfast (Good Friday) Agreement; and also recognises that Article 13(8) of the Protocol provides for potentially superior arrangements to those currently in place.—
(Sir Bernard Jenkin.)

The Deputy Speaker announced a time limit on backbench speeches (Standing Order No. 47(1)).

Question put and agreed to.

(2) Beijing Winter Olympics and Chinese Government sanctions

The Deputy Speaker announced a time limit on backbench speeches (Standing Order No. 47(1)).

Resolved, That this House believes that the 2022 Winter Olympic Games should not be hosted in a country whose Government is credibly accused of mass atrocity crimes; and calls on the UK Government to decline invitations for its representatives to attend the 2022 Beijing Olympic Games unless the Government of the People's Republic of China ends the atrocities taking place in the Xinjiang region and lifts the sanctions imposed on UK Parliamentarians, citizens and entities.—(*Tim Loughton.*)
