## BUSINESS OF THE DAY

### 1. FLOODING (PREVENTION AND INSURANCE): TEN MINUTE RULE MOTION

**Up to 20 minutes** ([Standing Order No. 23](#))

**Emma Hardy**

That leave be given to bring in a Bill to set national minimum requirements for flood mitigation and protection measures in new build public and private properties enforced by local planning authorities; to place reporting requirements on local and national government in relation to flood prevention measures; to establish a certification scheme for improvements to domestic and commercial properties for flood prevention and mitigation purposes and an accreditation scheme for installers of such improvements; to require insurers to take account of such improvements and any existing flood prevention and mitigation measures that were planning permission requirements when determining premiums; to extend eligibility to the Flood Reinsurance scheme under section 64 of the [Water Act 2014](#) to small and medium-sized enterprises and homes built after 2009; and for connected purposes.

**Notes:**

The Member moving and a Member opposing this Motion may each speak for up to 10 minutes.

### 2. BUSINESS OF THE HOUSE (TODAY)

**Until any hour** (if the 7.00pm Business of the House motion is agreed to)

**Mr Jacob Rees-Mogg**

That, at this day's sitting, the Speaker shall put the Questions necessary to dispose of proceedings on the Motion in the name of Mr Jacob Rees-Mogg relating to the Committee

on Standards not later than one hour after the commencement of proceedings on the motion for this Order; such Questions shall include the Questions on any Amendments selected by the Speaker which may then be moved; proceedings may continue, though opposed, until any hour, and may be entered upon after the moment of interruption; and [Standing Order No. 41A](#) (Deferred divisions) shall not apply.

## BUSINESS TO BE TAKEN AT 7.00PM

### ■ BUSINESS OF THE HOUSE

**No debate** (Standing Order Nos. 15 and 41(A))

#### **The Prime Minister**

That, at this day's sitting, the motion in the name of Mr Jacob Rees-Mogg relating to Business of the House (Today) may be proceeded with, though opposed, until any hour and [Standing Order No. 41A](#) (Deferred divisions) will not apply.

## BUSINESS OF THE DAY

### 3. COMMITTEE ON STANDARDS

**Up to one hour** (after commencement of proceedings on the Business of the House (Today) motion, if agreed to)

#### **Mr Jacob Rees-Mogg**

That, notwithstanding the practice of this House relating to questions already decided in the same Session, this House:

- (1) rescinds the resolution and [order of 3 November 2021](#) relating to the Third Report of the Committee on Standards (HC 797) and the appointment of a new select committee;
- (2) approves the Third Report of the Committee on Standards (HC 797); and
- (3) notes that Mr Owen Paterson is no longer a Member of this House.

### 4. [FINANCE \(NO. 2\) BILL](#): SECOND READING

**Until any hour** ([Standing Order No. 15\(1\)\(a\)](#))

**Alison Thewliss**

**Ian Blackford**

**Kirsten Oswald**

**Peter Grant**

**Richard Thomson**

**Owen Thompson**

That this House declines to give a Second Reading to the Finance (No. 2) Bill because it fails to halt the National Insurance increase and it does not support the hospitality sector

through the retention of the 12.5 per cent hospitality VAT rate, and because it derives from a Budget which failed to tackle the cost-of-living crisis, failed to reverse the £20 cut to universal credit, failed to reinstate the pensions triple lock, failed to deliver the multi-billion-pound compensation package needed to protect businesses and people from the impact of the UK's withdrawal from the EU, ensured the continuation of austerity, did not deliver on the potential of Scotland's transition to net zero carbon emissions as it failed to match the Scottish Government's £500 million investment in Scotland's northeast and failed to deliver the Acorn CCUS project, failed to deliver on the Government's own plans to increase research and development investment, abandoned the world's poorest by failing to return to the UK's commitment to 0.7 per cent GDP ODA spending, and failed to deliver a real living wage for workers across the UK.

**Keir Starmer**

**Rachel Reeves**

**Bridget Phillipson**

**James Murray**

**Abena Opong-Asare**

**Sir Alan Campbell**

That this House declines to give a Second Reading to the Finance (No. 2) Bill because it does nothing to help people who are struggling with the rising costs of living, who are being hit by the cut to universal credit, or who are facing a rise in National Insurance Contributions and a freeze in the Income Tax Personal Allowance from next April, because it nonetheless cuts taxes for banking companies and derives from a Budget that will see the tax burden rise to its highest level in 70 years and announced cuts in air passenger duty for UK domestic flights, and because it fails to set out a plan to grow the UK's economy, fundamentally reform business rates, and create better jobs for the future.

**Christine Jardine**

**Ed Davey**

**Daisy Cooper**

**Wendy Chamberlain**

**Mr Alistair Carmichael**

**Tim Farron**

Layla Moran

Sarah Olney

Wera Hobhouse

Munira Wilson

Jamie Stone

Sarah Green

That this House declines to give a Second Reading to the Finance (No. 2) Bill because it derives from a Budget that spent more money on a tax cut for banks than on catch-up funding for children's education and failed to implement the £15 billion school catch-up plan needed to make up for lost learning due to the pandemic, that failed to deliver a £150 billion green recovery plan to reach net-zero emissions by 2045 whilst announcing a reduction in Air Passenger Duty on domestic flights, and that abandoned working families struggling with a cost-of-living crisis by ending the £20 uplift to universal credit, clawing back nearly half the minimum wage rise through the increase in National Insurance and offering no help with energy bills, and because it fails to deliver on the Government's promise to reduce business rates via a fundamental review of the system, leaving

companies with no long-term support as they cope with the impact of the pandemic and new international trade barriers.

### **Caroline Lucas**

That this House declines to give a Second Reading to the Finance (No. 2) Bill because it derives from the Autumn 2021 Budget which failed to act on the climate and ecological emergency with the urgency or ambition needed to restore nature or meet UK obligations under the Paris Agreement or the Climate Change Act 2008, which failed to close the gap between pledges and plans and what is actually needed to keep global warming under 1.5 degrees, and instead allocated funds to activity that will result in increases in greenhouse gas emissions, which failed to put an end to fossil fuel subsidies or the proliferation of fossil fuels, the need for which has since been underscored by the Glasgow Climate Pact, which failed to scrap the requirement to maximise the economic recovery of petroleum, which failed to include a climate and nature test for all spending and fiscal measures, which failed to deliver transformational investment to create good green jobs across the country, and which failed to grasp the fundamental fact, as set out in the Treasury's own Dasgupta Review, that the economy is embedded in the biosphere and that therefore, for the health and prosperity of citizens in the UK and around the world, including future generations, what is needed is an urgent economic reset and a truly fair and green recovery based on new economic goals that prioritise the health and wellbeing of people and nature, rather than the endless pursuit of GDP growth on a finite planet.

Lucy Frazer

That—

- (2) In paragraph (4), in the section 101C which is inserted into the Finance Act 2015 (closure notices: rules during review period)—
