■ **Reducing costs for business**

Keir Starmer

Jonathan Reynolds

Seema Malhotra

Lucy Powell

Thangam Debbonaire

Sir Alan Campbell

That this House recognises the strain that businesses are under following a difficult Christmas period and two years of disruption during the covid-19 outbreak; notes challenges are more severe in some sectors; regrets that businesses are struggling with increasing energy costs, high inflation, low growth and higher taxes as a result of the Government's long-term failures

and lack of adequate support; and therefore calls on the Government to reform business rates, to alleviate the debt burden by allowing businesses flexibility on Government loans and to implement a contingency fund to support businesses with high energy costs.
